DIRECTIONS

Important note on directions:

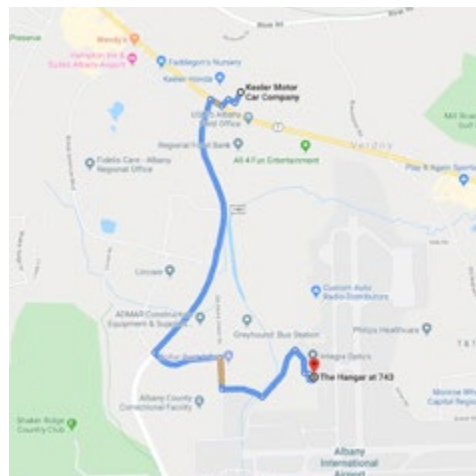

Years ago Albany Shaker Road was redesigned and rerouted to create what's now known as "Old Albany Shaker Road" near the Albany International Airport. As a result, some businesses retained their "Albany Shaker Road" address for postal purposes but Navigation apps aren't accurate in getting you to an address like The Hangar at 743, 743 Albany Shaker Road, Latham NY, 12110.

The diagrams below represents the exact location of the Hangar (also the current address of Integra Optics, which WILL work with most navigation apps). The Hangar at 743 is accessible from both Albany Shaker Road, coming from the airport, as well as from the intersection of Route 7 where Albany Shaker ends across from Keeler Motor Car.

From Albany Shaker Road at Albany Airport

From Route 7 and Albany Shaker Road intersection at Keeler Motor Car

**Entrance to
The Hangar at 743**
